\*Please note with the Governor's July 1, 2013 reorganizations of State departments, comparisons from 2012-13 cannot be calculated.

Some departments merged, agencies split, and others were all together disassembled making results different for the 2013 campaign.

However, overall results are up this year for the first time in a long time. Thank you to all volunteers for making 2013 CSECC a success!
